

HOSPITALITY

COFFEE HOUR

Coffee Hours are after the 8:30 AM and 11:00 AM Sunday Masses. These Coffee Hours provide those attending Mass an opportunity for fellowship with other members of the St. Mark's Community.

CUISINE FOR THE SPIRIT

This is a great way to meet and socialize with other parishioners. The adults from up to four households gather in the home of the hostess (randomly computer selected) one Saturday per month. Each household provides a portion of the meal. The program runs from October through May with a break in December. This ministry is one of hospitality, welcome, and offers an atmosphere of small community.

F.I.Y.A. (Fellowship Inspiring Young Adults)

FIYA provides opportunities for fellowship for anyone 18-39ish. Our goal is to help members grow in their faith, become more connected to the parish, and enjoy a fun, supportive community. Regular events are on the 4th Saturday with the 5 PM Mass and event following, and a faith-building evening on the 2nd week of each month (rotating nights). Outdoor recreation, service, and other events are scheduled sporadically.

GREETERS

Hospitality is essential to our identity as a warm, supportive, sharing community and family. When we gather each Sunday as community we want every person to feel welcomed and included. To help with this, Greeters stand at the church doors giving out smiles and friendly hellos.

WELCOME MINISTRY

The goal of the welcome ministry is to let each new member know they are welcome, that we care about them and are happy they chose St. Mark's to be their worshipping community. The people involved in the ministry do this by meeting with new members and gifting them with a packet that contains information on the parish, current events and some reading material. The time commitment for this ministry is two to four hours, every two months, depending on the amount of time that is spent on each visit. This includes attending a one-hour meeting every other month.
