## May God Bless our Stewardship Efforts!

Stewardship is a way of life that recognizes and receives God's gifts with gratitude, cultivates them responsibly, shares them generously and sacrificially with others, and stands before the Lord in a spirit of accountability. Our purpose in life as Catholics is to *Know God* (prayer), *Love God* (sharing our resources), and *Serve God* (in ministry) in this world so we can be with Him in the next. May we all strive to increase our return to the Lord in thanksgiving for his many blessings upon us. Please consider how you give of your Time, Talent and Treasure.
